

INTERLACE GENERAL SUPPLY LIST

Please bring the following supplies with you to class, if you have them. Textile Center will make every effort to provide the necessary supplies for this class. However, we know that students often prefer to bring their own small tools that are familiar and comfortable to use.

Scissors, for cutting threads and fabric

Paper and pen or pencils for taking notes and design ideas

Tape measure or ruler

Tote bag for carrying projects and supplies

Small baggies for organizing materials

Other materials you might have on hand, depending on class needs from week to week

If you have any questions, please contact Rebeca Hulme, rhulme@textilecentermn.org or call 612-436-0464.

Parking is available in the lot behind our building, as well as our newly purchased lot at 3018 University Ave SE. You may enter through the front door, or if you would like to enter through the back door, please buzz the doorbell and someone will let you in.

Classes are held in the rooms towards the back of our building. Please check the white board labeled with the title for your class.
