For your safety, there is no food or beverage allowed in the Dye Lab. There will be a short break for lunch. We recommend bringing your lunch. You are welcome to use the Textile Center kitchen to store and prepare your food. If you are unable to bring your lunch, there is a Fresh Thyme grocery store across the street with many options.

There will be time reserved at the end of class for clean-up. Please help this process go quickly by assisting the instructor.

Parking is available in the lot directly behind our building, as well as our newly purchased lot at 3018 University Ave SE. Look for the green signs!
