

Textile Center Supply List

Mending and Meaning Making

Tasha Miller Griffith

Please bring with you to class:

Materials fee \$15, payable to the instructor (includes fabric, thread, needles, handout, use of instructor's supplies)

Clean clothing or textile items to mend – These can be jeans, sweaters, socks, t-shirts, blankets, etc.

Small, sharp embroidery scissors

Magnifiers and/or glasses, if needed

Optional:

Matching thread or yarn for a special project

Any special fabrics, threads, or other materials that you would like to incorporate into your mending

There will be a short break for lunch. We recommend bringing your lunch. You are welcome to use the Textile Center kitchen to store and prepare your food. If you are unable to bring your lunch, there is a Fresh Thyme grocery store across the street with many options.

There will be time reserved at the end of class for clean-up. Please help this process go quickly by assisting the instructor.

Parking is available in the lot directly behind our building, as well as our newly purchased lot at 3018 University Ave SE. Look for the green signs!
