

Textile Center Supply List

Found Textile Collage – Digital Class
Laura Wennstrom

To participate in this class, students will need to have a personal computer with access to [Zoom video conferencing software](#), a strong internet connection with enough bandwidth for video, and the proper class materials. Students are responsible for a computer, internet, and procuring materials independently. **The cost for materials is not included in the cost for registration.**

Where can I get the class materials?

- Please see the material list below
- Order online. The instructor has included their preferred resources for the specific materials needed for the class.
- Personal items/stash/equipment
- Local textile supply or craft store

The success of your experience in our digital classes is contingent on being able to fully participate through both the audio and video functions of Zoom. If you do not use the listed materials below, or do not have a strong internet connection with enough bandwidth to use the Zoom video function, your experience and/or project may come out differently.

Materials:

Thread, two to three various colors
Sewing needles
Fabric scissors
Miscellaneous fabric scraps or textile materials from your existing stash; full laundry-basket sized amount of textiles to begin working with. You may not use them all, but it's nice to have options. Ideas for what to look for: <ul style="list-style-type: none"> • Textiles/fabric that are no longer useful or damaged that can be cut up (clothing, sheets, blankets, table cloths, etc.) • Sentimental textiles that are stored but never used; not necessarily for cutting up, but may be better loved and enjoyed if they are turned into an object or artwork than you can see every day!
Bonus decorative items; examples include trim, fringe, yarn, ribbon, lace, unfinished or failed sewing/knitting/crochet projects, buttons, beads, felt, embroidery thread, etc.

* Program staff will send a reminder email with the Zoom link before the class.
