

Textile Center Supply List

Found Textile Collage

Laura Wennstrom

Please bring with you to class:

Thread, two to three various colors

Sewing needles

Fabric scissors

Miscellaneous fabric scraps or textile materials from your existing stash; full laundry-basket sized number of textiles to begin working with. You may not use them all, but it's nice to have options. Ideas for what to look for:

- Textiles/fabric that are no longer useful or damaged that can be cut up (clothing, sheets, blankets, table cloths, etc.)
- Sentimental textiles that are stored but never used; not necessarily for cutting up, but may be better loved and enjoyed if they are turned into an object or artwork than you can see every day!

Bonus decorative items; examples include trim, fringe, yarn, ribbon, lace, unfinished or failed sewing/knitting/crochet projects, buttons, beads, felt, embroidery thread, etc.

There will be time reserved at the end of class for cleanup. Please help this process go quickly by assisting the instructor.

Please ring the buzzer in the back to be let into the building. Parking is available in the lot behind our building, as well as our lot at 3018 University Ave SE. Look for the green signs.
