

Textile Center Supply List

Intro to Shibori: Scarves Two Ways

Sandra Brick

Please purchase before class--2 all natural fiber scarves.

--Preferences are all cotton, rayon, bamboo, or silk, for ease of use with Mx dyes. If your scarves are not PFD—prepared for dyeing--you will need to “scour” them in hot hot water to be sure all of the sizing and fabric treatments are removed. Please check with the instructor if you have questions.

We recommend you purchase your scarves through our Artisan shop, by visiting Textile Center, or ordering our silk scarves here in the “Choose an option” list:

<https://textilecentermn.org/product/class-supplies/>

Please bring with you to class:

Materials fee of \$15, payable to instructor (includes dyes, resist materials, handouts)

Scissors

8 1-gallon Ziploc bags

Dishpan

Pen or pencil

For your safety, there is no food or beverage allowed in the Dye Lab.

There will be time reserved at the end of class for clean up. Please help this process go quickly by assisting the instructor.

Parking is available in the lot behind our building, as well as our newly purchased lot at 3018 University Ave SE. Look for the green signs.
