DIY Drop Spindles FOR FAMILIES!

Sadie Stock

Please bring with you to class:

- Materials fee of \$10, payable to the instructor, includes dowl rods, hooks, and wool.
- Optional: Bring any materials you would like to use to build your drop spindle. I suggest plastic lids, old CDs, straight sticks. There will be enough supplies to go around, but if there are any specific materials you want to include, please bring them.

There will be time reserved at the end of class for cleanup. Please help this process go quickly by assisting the instructor.

Please ring the buzzer in the back to be let into the building. Parking is available in the lot behind our building, as well as our lot at 3018 University Ave SE. Look for the green signs.
