### *Creative Mending for Knits*

Tasha Miller Griffith

Please bring with you to class:

- \$15 materials fee payable to instructor - includes needles and fabric samples which students will keep, and patching materials, threads, and small tools to use in class.
- Small sharp scissors
- Anything made of knitted fabric that you would like to mend (please bring items for mending clean)! Bring your projects and questions—we'll brainstorm together and learn from each other's examples.
- Matching thread, yarn, etc., if needed for your projects.
- OPTIONAL: Any other preferred hand-sewing tools you already have (a thimble, pins, etc.).
- OPTIONAL: Any special fabrics, threads, or other materials that you would like to incorporate into your mending.
- OPTIONAL: Any knitted fabric scraps you can bring to share with others.

There will be time reserved at the end of class for clean-up. Please help this process go quickly by assisting the instructor.

Please ring the buzzer in the back to be let into the building. Parking is available in the lot behind our building, as well as our lot at 3018 University Ave SE. Look for the green signs.
