

Textile Center Supply List

Dyeing to Quilt

Sandra Brick and Rose Allen

This class takes place over two sessions—the first session is focused on dyeing, the second session is focused on quilting.

For the first session (dyeing with Sandra), please bring with you to class:

- Scissors
- 8 one-gallon Ziploc bags
- Dishpan
- Pen or pencil and notebook
- Bag lunch (optional)

Please remember to dress for the Dye Lab and wear clothing that you do not mind getting messy. For your safety, there is no food or beverage allowed in the Dye Lab.

For the second session (quilting with Rose), please bring with you to class:

- Sewing machine, in good working condition.* You need to know how to thread your machine and wind a bobbin. Bring your instruction manual, tools, and any feet for the machine.
- Thread
- Pins
- Scissors
- Pen or pencil and notebook
- Camera or smart phone to take photos to accompany your notes
- Bag lunch (optional)
- Rotary cutter (optional)
- Ruler (optional)
- Cutting mat (optional)

*If you are unable to bring a sewing machine, please contact Textile Center for rental options.

There will be time reserved at the end of class for clean-up. Please help this process go quickly by assisting the instructor.

Parking is available in the lot directly behind our building, as well as our newly purchased lot at 3018 University Ave SE. Look for the green signs!
