

Textile Center Supply List

Crumb Quilted Tote Bag

Natalie Novacek

Please bring with you to class:

- Ample supply of fabric scraps from non-stretchy fabric. Quilting cotton is ideal. Usable scraps are generally larger than 1" x 2" 2.
- 2 yards of medium-weight fusible interfacing or fusible fleece
- 1-yard cotton fabric of your choice for bag lining (more specifically, 2 pieces that are 20 x 24 inches each)
- 3 yards of webbing (any width)
- thread (any color)
- Sewing machine, in good working condition
- Fabric scissors, cutting mat, and rotary cutter

There will be time reserved at the end of class for clean-up. Please help this process go quickly by assisting the instructor.

Parking is available in the lot directly behind our building, as well as our newly purchased lot at 3018 University Ave SE. Look for the green signs!
