

Textile Center Supply List

Textile Art Zines

Alanna Stapleton

Please bring with you to class:

- Small scraps of fiber and textile materials (no larger than 8.5" x 11") from your personal stash. No need to purchase anything new - scraps and leftover materials from previous projects are great.

There will be time reserved at the end of class for clean-up. Please help this process go quickly by assisting the instructor.

Parking is available in the lot directly behind our building, as well as our newly purchased lot at 3018 University Ave SE. Look for the green signs!
