

Textile Center Supply List

Soft Toy Menagerie

Lorraine Teigland

Please bring with you to class:

- \$40 materials fee, payable to the instructor, includes precut fleece fabric to create 2 stuffed animals, safety eyes, fiberfill stuffing, poly beads, knit fabric pellet bags, acrylic or wool-blend felt for other animal details, embroidery floss or pearl cotton in various colors, paper templates, funnel tool, and digital PDF of the Menagerie Sewing Pattern (90 pages, retail price \$24) to be emailed to participants after the class.
- Sewing machine in good working order, with pedal and cord; machine must have both straight stitch and zigzag stitch
- Polyester sewing thread (white, black and selection of basic colors including red and grey)
- One needle for hand-stitching with regular polyester sewing thread
- One needle with eye suitable for embroidery floss or pearl cotton
- Scissors for cutting fabric
- Scissors for cutting paper
- Embroidery scissors (or any small scissors with sharp point and suitable for fine work)
- Seam-ripper
- Short (6" ruler is sufficient) or measuring tape
- Straight pins (or Clover-style sewing clips, if preferred)
- Chalk or erasable fabric marker, or other means to make temporary marks on fabric.

There will be time reserved at the end of class for clean-up. Please help this process go quickly by assisting the instructor.

Parking is available in the lot directly behind our building, as well as our newly purchased lot at 3018 University Ave SE. Look for the green signs!
