

Textile Center Supply List

Get Started: Sashiko Stitching

Sandra Brick

Please bring with you to class:

- Sashiko coaster kit - available for purchase online through Textile Center's shop (<https://textilecentermn.org/product/sashiko-coaster-kit-chevron-wave/>) Select the "Pick up" option to have the kit waiting for you when you get to class. Please order your kit before the class date. (Members save 10% on both the coasters and the class!)
- Small sharp scissors
- Task light for close up work (optional)

There will be time reserved at the end of class for clean-up. Please help this process go quickly by assisting the instructor.

Parking is available in the lot directly behind our building, as well as our newly purchased lot at 3018 University Ave SE. Look for the green signs!
