

Textile Center Supply List

Needle Felting: A Sculptural Approach

Stephanie Metz

Please bring with you to class:

- \$75 materials fee, payable to the instructor at the start of the workshop, covers a kit made up of 1 lb of Natural Corriedale wool roving, 1.5 oz of colorful dyed Corriedale roving, ten felting needles, and a foam work surface. Multi-needle tools will be available for use.
- Sketchbook or notebook
- Wrist or arm support wrap if desired. Available at most drugstores, meant for tennis elbow relief or carpal tunnel relief.
- Personal listening device with headphones if desired
- Scissors-Sharp fabric/sewing scissors
- Mixed media items you may want to experiment with incorporating: metal mesh, feathers, shells, beads, other fibers, etc.
- Source material (drawings or photos) of something you may want to create in wool
- Any felting tools already in your possession: multi-needle holders, work surfaces, felting needles

There will be time reserved at the end of class for clean-up. Please help this process go quickly by assisting the instructor.

Parking is available in the lot directly behind our building, as well as our newly purchased lot at 3018 University Ave SE. Look for the green signs!
