

## Textile Center Supply List

### ***Printing with Flowers***

Winna Bernard

#### Please bring with you to class:

- Materials fee of \$15 includes required tools and supplemental plant materials, pre-mordanted practice items, fabric bandana, watercolor greeting card, and written instructions.
- Wear clothes that can get dirty.
- OPTIONAL: Ear plugs or noise-cancelling headphones.
- OPTIONAL: If you would like to use textiles or items of clothing from home to print on during class, please join our add-on Alum Mordanting Party to learn how to scour and mordant your fabric items in advance of the printing workshop. All items must be made only with cellulose fibers (100% cotton, linen, etc.)--no synthetics. Up to 3 yards of fabric maximum (or clothing/household fabric that is cumulatively 3 yards maximum). This add-on workshop in the Dye Lab will occur the day before the Printing with Flowers class and costs \$20. Registration required.

There will be time reserved at the end of class for clean-up. Please help this process go quickly by assisting the instructor.

Parking is available in the lot directly behind our building, as well as our newly purchased lot at 3018 University Ave SE. Look for the green signs!
