

Textile Center Supply List

Fit Clinic: Denim Waistbands

Colleen Kahn

Please bring with you to class:

- Sewing machine in good working order
- Pair of jeans that need fitting (as well as a photo of the wearer if the wearer is not taking the class / you are fitting the jeans for someone else)
- Denim needles in size 16-18
- Sewing shears
- Seam ripper
- Thread
- Pins
- Marking tools (chalk, marker, etc.)

There will be time reserved at the end of class for clean-up. Please help this process go quickly by assisting the instructor.

Parking is available in the lot directly behind our building, as well as our newly purchased lot at 3018 University Ave SE. Look for the green signs!
