

Textile Center Supply List

Drafting a Sleeve

Lorraine Teigland

Please bring with you to class:

- Materials fee \$15, payable to the instructor (includes printouts and materials for drafting)
- Measuring Tape 18" or longer ruler
- Pencil (regular and/or color pencils) and eraser
- Please come dressed in a top that is either sleeveless or has sleeves that are close-fitted to the body (long -and short-sleeved non-bulky T-shirts are OK). The more streamlined the shoulder and upper arm area are, the more accurate the draft
- Optional: Bring paper patterns of sleeves you have used in the past, if you are interested in comparing them to the drafts we will make in class. These can be good patterns you've loved or patterns that you have had trouble with, or which have fit poorly.

There will be time reserved at the end of class for clean-up. Please help this process go quickly by assisting the instructor.

Parking is available in the lot directly behind our building, as well as our newly purchased lot at 3018 University Ave SE. Look for the green signs!
