

Textile Center Supply List

Bespoke Jackets and Blazers

Colleen Kahn

Please bring with you to class:

- Sewing machine in good working order (don't forget the foot pedal and power cord!)
- Pre-preprinted pattern
- Fashion fabric (as directed from the pattern, wool is highly recommended)
- Lining fabric (as directed by pattern)
- Buttons for project (as directed by pattern)
- Coordinating thread (based on your chosen fashion fabric)
- Support Materials: Students have the option to bring their own support materials to class or purchase a materials kit from the Instructor. This optional materials kit costs \$60 and includes muslin for test garment, cotton twill tape, wool felt for under collar, hymo interfacing, shoulder pads, sleeve heads, and weft-insertion fusible interfacing. For students who wish to purchase this materials kit from the instructor, please preorder before January 28th by emailing the instructor directly at colleen@stitchmasters.org. Instructor will source premium findings from Bias Bespoke.

Alternatively, students may bring their own support materials:

- muslin for a test garment (optional)
- 1/4" cotton twill tape, 2 yards
- wool felt for under collar, 1/4 yard
- light to medium weight hymo interfacing, about 1.5 yard of 45" wide or 1 yard of 60" wide
- shoulder pads
- sleeve heads
- small remnant of weft-insertion fusible interfacing, about 6"x20"

Suggested sources:

- The Sewing Lounge - local, for all materials
- Bias Bespoke (online) for interfacings and findings
- B Black and Sons (online) - all materials
- Fabric Mart (online) - designer deadstock fashion fabric and lining, but hit-and-miss
- Emma One Sock (online) - fashion fabric and lining

There will be time reserved at the end of class for clean-up. Please help this process go quickly by assisting the instructor.

Parking is available in the lot directly behind our building, as well as our newly purchased lot at 3018 University Ave SE. Look for the green signs!
