Stitching for Creative Reuse

Rita Chuk-Petroskas

Please bring with you to class:

- Materials Fee of \$5 payable to the instructor at the start of class, includes a mix of recycled items (plastics such as bags, bottle caps, packaging, netting, etc.), fabric for hoop, threads for attaching, various yarn types, beads and sequins for attaching and decoration, one embroidery needle and one tapestry needle, small hoop. Each kit will be unique and have enough materials for experimentation and to bring home for additional practice.
- Small recycled items from home which you would like to experiment with attaching (Optional)
- Scissors

There will be time reserved at the end of class for clean-up. Please help this process go quickly by assisting the instructor.

Parking is available in the lot directly behind our building, as well as our newly purchased lot at 3018 University Ave SE. Look for the green signs!
