

## **Textile Center**

### ***Jelly Roll Rug with Kris Livingston***

#### **Materials needed for class:**

1. Sewing machine with zig-zag stitch at least 5.5mm wide.
2. Smooth bottomed foot with an opening for zigzag.
3. Size 14 or 16 sewing machine needle for placemat. Size 10 or 12 to join strips.
4. Basic sewing kit. (Scissors, seam ripper, and pins.)
5. 10 strips of coordinating fabrics 2 ½ by 42-44 inches. Bring extra strips in case you want other colors. You can use a jelly roll, especially if you plan to make more placemats to match, but you do not need to. A large jelly roll will make 4 coordinating place mats.
6. 100 % Cotton batting cut into 2 ¼ inch strips. You will need enough strips to equal the yardage of your fabric strips. Purchase of Bosal Katahdin On-A-Roll speeds the process, especially if you plan to make more than one placemat. The batting is already pre-cut on a convenient roll.
7. Spool and bobbin of coordinating thread. You can use embroidery thread or variegated thread. Do not use thick thread like quilting thread. Use one color or change during the project.
8. Quilting clips.
9. Totally optional, but helpful:
  - Extension table that fits around your machine.
  - Magnetic seam guide or other gauge to hold strips in place as you sew.
  - Jelly roll sasher tool. Example:
  - RJ Designs Jelly Roll Rug instructions for reference.
  - Stiletto or chopstick.
  - Glue stick for strips of batting.

**Before class:** Save time by cutting your fabric and batting strips if you do not use prepared rolls.

#### **Where to find supplies:**

- All the specialized supplies listed are available at Affinity for Quilts and many other local quilt shops. Call ahead.
- Jelly rolls have forty 2 ½ by 42-inch coordinated fabric strips on a roll. They are easily found in local shops like Affinity for Quilts or City Block Quilt Shop.
